# The Siesta MYSTERY

"Papacito ees not only the greatest bool fighter in the arena, he ees the most handsome of them all! Why, he could have been a movie star if he had wanted to," declared Little Pancho Vanilla to his friends as they rested in the village square.

Little Pancho was just about to do some more bragging about Papacito, but his words were choked off by great clouds of dust filling the entire square.

"What ees happening?"

When the dust had settled, they saw two station wagons loaded with strange equipment had parked right in the middle of town. On the side of each automobile, a hand-painted sign declared, "Colossal Pictures, Inc."

"It must be a motion picture company," Little Pancho exclaimed. "Let's go and see what they are doing in Chilivania."

"Señores and señoritas," the producer said as he got out of the first car, "we are here to make a movie in your town. We want some of you to appear in our film, 'The Fiesta Mystery.' Anyone interested please come to the Hacienda Hotel in one hour."

"Hey, Pancho," one of the boys teased, "I guess your papa weel be the star of the movie."

"Si, you had better go home and wake heem up," another boy laughed.

Little Pancho Vanilla ran all the way home to wake Papacito in time for the interview at the hotel.

By the time Pancho had told his news, Papacito was wide awake. "I weel be weeth you in a minute. Just let me put on my new sombrero. If I am to be a movie star, I must look important."

But when Little Pancho Vanilla and Pape-

cito got to the Hacienda Hotel, they had to take their place at the end of a very long line. All of Chilivania wanted to be movie stars, too.

The interviews took time, and it was hot standing in the plaza. When the noon hour had come and gone, Pancho and Papacito were still waiting for their turn.

"Pancho, you stay here and hold our place in line. I weel rest a bit over there in the shade," Papacito said.

At first Papacito just leaned against the wall in the shade. But the sun was warm, and it made him very drowsy. Slowly he slid from a standing position to a crouch. From there it was just inches to sitting comfortably with his back against the wall. So he settled down. Then he drew his knees up to his chest so he would have a resting place for his head. His head slowly bent forward until it was resting on his knees. Soon Papacito was sound asleep, half-hidden under his new sombrero.

He was still asleep when the movie people stopped the interviews. "We still haven't found the star of our show," the director said to his assistant as they came out of the hotel. Then the director saw Papacito sleeping against the wall. "That's it!" he yelled. "Get that picture."

The cameras were rolled up into position. The director signaled his assistant. "Quiet on the set. Cameras. Action. That's perfect," said the director. "We'll change the name of the movie to 'The Siesta Mystery.' We have found our star at last!"

"Hooray!" yelled Pancho Vanilla, bursting with pride that Papacito was to be a star. "I knew he could do it. But it is no mystery to me that he loves a siesta!"

## Beautiful and Appealing Oil Paintings

### Now Yours as Full Color Large Art Prints

# ALL 4 ONLY \$1

Just picture these irresistible critters in your own home. Everyone who sees these appealing animals fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Coby, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly wild animal. Under his sensitive brush, the wonder of these lovable jungle animals and the colorful backgrounds combine to give a refreshing glimpse of life. Unfortunately the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

#### OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 11" x 14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine.
